EXPERIENCE

CURRENT EXPERIENCE - Medical Social Worker

Jaipur National University Hospital, Jaipur

July 2024 – Present

PSYCHIATRY DEPARTMENT – JNU HOSPITAL

POSITION: SOCIAL WORKER / MENTAL HEALTH SUPPORT STAFF

- Assisting in patient counseling for psychiatric illnesses.
- Providing psychoeducation to patients and families regarding treatment compliance and mental health awareness.
- Coordinating with psychiatrists and psychologists for patient care management.

ICTC (Integrated Counselling & Testing Centre) – JNU Hospital

Position: ICTC Counselor

- Conducting pre-test and post-test counseling for HIV patients.
- Educating individuals about HIV prevention, transmission, and coping strategies.
- Maintaining confidentiality and providing emotional support to affected individuals.

FIELD WORK & INTERNSHIPS

PRAYAS NGO, JAIPUR & PANCHI FOUNDATION, JAIPUR

During my tenure at PRAYAS NGO, I worked closely with children with special needs (children with disabilities). The intervention focused on enhancing their developmental, cognitive, and adaptive skills through structured activities. My responsibilities included

1. Educational and Life Skills Training
 - Teaching basic concepts related to daily life and personal care
 - Providing foundational academic knowledge
 -
2. Creative Development Activities
 - Conducting art and craft sessions, including:
 - Drawing and coloring
 - Bag-making
 - Creating simple craft items using accessible materials
3. Play-Based Learning
 - Organizing structured and free play activities to promote social interaction, motor skills, and enjoyment
 - Using play as a medium to teach cooperation, turn-taking, and emotional expression
4. Holistic Support and Engagement
 - Encouraging self-expression through creative tasks
 - Creating a supportive and inclusive environment that promotes learning at an individual pace

NAV VIKALP SANSTHAN , JAPIUR

- Conducted detailed clinical interviews and prepared comprehensive case histories of individuals with substance use disorders.
- Developed case formulations based on biopsychosocial perspectives to understand underlying issues and tailor interventions.
- Provided individual counseling sessions focusing on relapse prevention, motivation enhancement, and behavioral change.
- Applied evidence-based therapeutic approaches, including:
 - FRAMES Model (Feedback, Responsibility, Advice, Menu of options, Empathy, Self-efficacy)
 - DARES Technique (Develop discrepancy, Avoid argumentation, Roll with resistance, Express empathy, Support self-efficacy)
 - Motivational Enhancement Therapy (MET) to strengthen clients' commitment to recovery and readiness for change.
- Maintained therapeutic rapport and ensured ethical, client-centered care in accordance with psychological standards.

DECLARATION
